Design Guide

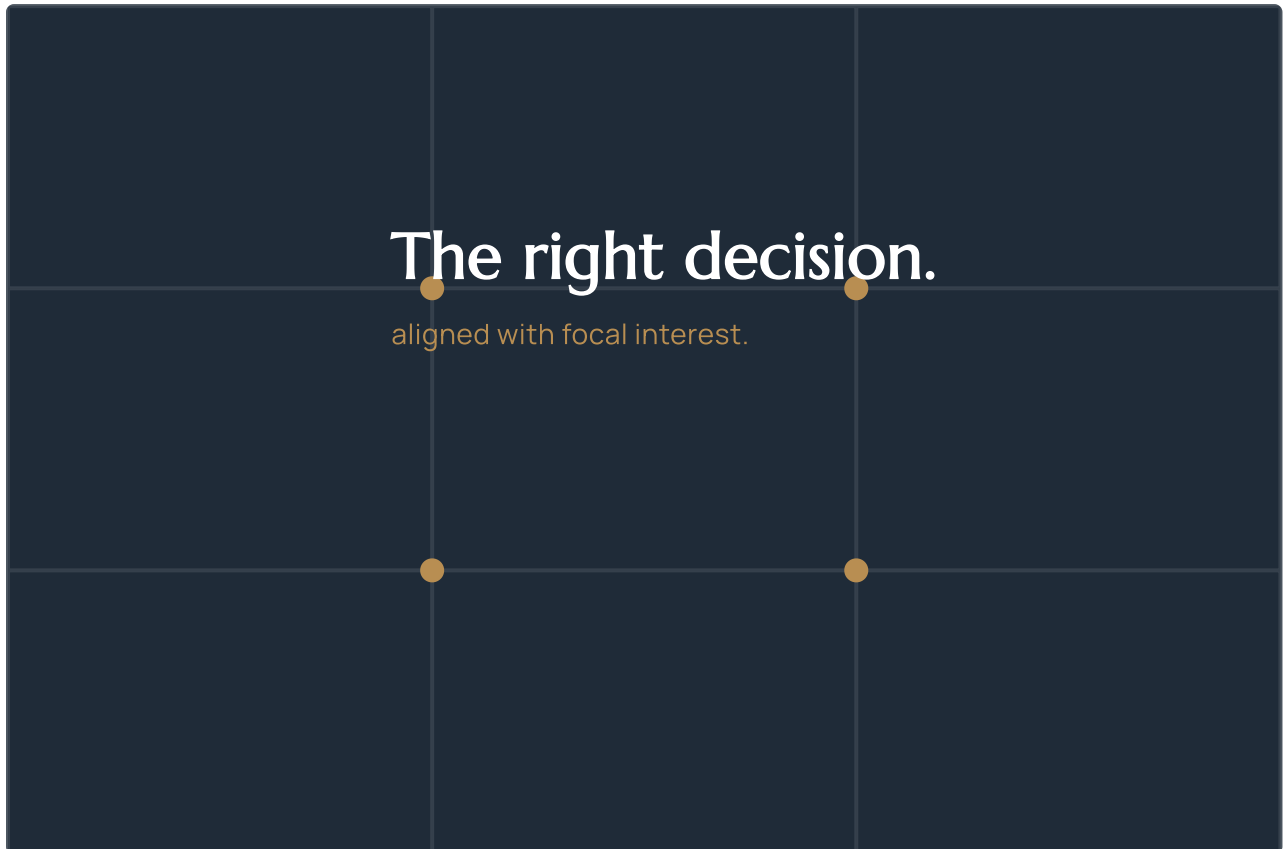

FIBONACCI LAYOUT STRUCTURE

Utilizing the golden ratio and Fibonacci sequence (1, 1, 2, 3, 5, 8...) for natural, aesthetically pleasing proportions in layout sizing.

RULE OF THIRDS

Grid system that brings focus to content by aligning key elements to the intersections of a 3x3 grid.

70/30 VISUAL DESIGN (SHADOWS & SILHOUETTES)

Using shadows and silhouettes to create depth. 70% light/positive space, 30% shadow/silhouette.

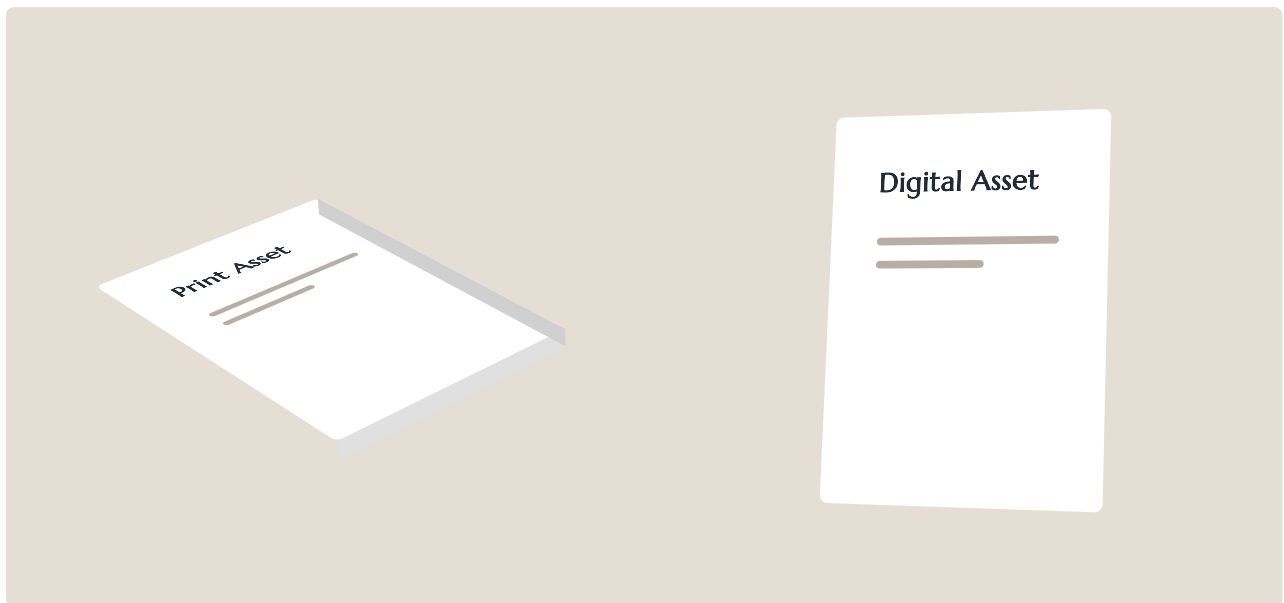

Experience

Elevation through shadow

PERSPECTIVE & ORTHOGONAL ASSETS

Digital and print assets rendered in 3D space to convey a premium, tangible quality.
